## OLD GLORY POST V.F.W. TO HOLD ANNUAL PICNIC THIS SUNDAY, JUNE 15

This Friday night members of Old Glory Post, V.F.W., will hold a special meeting to iron out final plans and arrangements for their big doings on Sunday. The "big doings" is their annual picnic which, this time, will be held Sunday, June 15, at Flood Park in Atherton.

An auto caravan will convene at 9:30 Sunday morning in front of the Daly City Theatre on Mission street; the caravan to leave Daly City at 10 a. m. Anyone not having transportation should contact either Arnold Panella or Howard McHugh, who will see that you get there, and back, without difficulty.

The committee says "Bring Your Own Lunch," but coffee will be served by the Ladies Auxiliary. All veterans and their families and friends are invited to attend.

Entertainment committee chairman, William J. Sweeney jr., has arranged a full day of fun for all—swimming, races, games, etc. The kiddies will have a good time too, as special events have been arranged for them.

Arnold Panella, picnic chairman, states that fourteen members of the Post and Auxiliary are serving on committees to make this picnic even bigger and better than those held on previous occasions.

Committee members are as follows: Chairman, Arnold Panella; entertainment for the day, Bill Sweeney jr., Bob Byrne; prize committee, Fisher, Schneider, Viele; Ladies Auxiliary — refreshments, Albertus, Brulez, Walsh, Stengle; transportation, Howard McHugh; advertising, Callan, Smith, McHugh.

## EAGLES PLAN FIRST MEETING IN NEW HOME

Members of the Colma Vista Grande Aerie will hold their first meeting in their new home at 3346 San Jose avenue next Thursday, June 16.

For more than 30 years, the local Eagles have been looking forward to this date, and even though E. Bertelli says the official opening will come later, next Thursday still will be an important date to remember.

Next week end, June 20-21-22, the state Aerie Convention will be held at Santa Cruz. The local aerie will be represented by delegates — brothers, Larry Shaw, Otto Shramm, Roy Allain, Halvard Hanson, William Josie and Kenneth Martin.

Alternates to the convention will be W. Thompson, W. Martin, L. Harper, Harry McKay, K. Calvert, J. Castellan.

These brothers will be supported by F. P. J. Patton, J.P.W.P. E. Bertelli, and a host of past presidents and brothers.

Elected to office for the coming year at a May meeting were: Brother John Patton, W.P.; Ray Lagomarsino, W.V.P.; William Kennedy, chaplain; Otto Shramm, treasurer; Frank Davidson, conductor; Vern Anderson, inside guard; Elwin James Smith, outside guard, and P. P. Roy Allain, trustee post, and E. Bertelli, J.P.W.P.

The officers were installed at their meeting on June 5.

## Portable Radio Reported Stolen

Ted Hopman, proprietor of the Hopman Electric and Radio Co., reports that on Saturday afternoon a portable radio, which retails for $34.95, was stolen from his store at 6299 Mission street.

The radio is believed to have been stolen by one of three young men who were in the store at the time.

The men, all well dressed in sport clothes, were also seen at The Fat Boy before the theft was reported to the police department.

## GIRL SCOUTS OF TROOP 2 VISIT D.C. POLICE DEPT.

Fourteen Girl Scouts from troop two visited the Daly City Police Department on Monday afternoon. Chief Sunderland gave the girls and their leader, Mrs. James Hamilton, a talk on the duties of the police relative to traffic safety.

The girls were instructed as to fire alarm systems and the value of radio and teletype to the police department.

The girls also were shown through the building, including the jail cells.

## Veteran Firemen Plan For Annual Picnic This Year

The Daly City Veteran Firemen Association decided at the regular meeting on June 6 to hold their annual picnic at Flood Park again this year. The exact date of the picnic will be decided at the next meeting.

Serving on the picnic committee are Ed Goldkuhl, Tom Joyce, Al Sundstrom, Fred Mather and J. Welsh.

Al Sundstrom, who represents the association at the Jefferson District school bond meetings, says a drive will be made soon to have all eligible residents registered before the bond election in the fall. The association is behind this school expansion program 100 per cent.

The association is in need of a set of flags and Tom Joyce has been appointed to execute a design and submit it to the association for the approval of the members.

Following the meeting, the members had a buffet luncheon prepared by Chef Remi Sanders.

## Lumber Stolen From Vacant Lot

Twenty-eight pieces of lumber, hard to get in the usual channels, were stolen last Friday night from a vacant lot next door to the home of R. Wakehouse, of 191 Los Banos avenue.

Wakehouse purchased the lumber from the government and can identify it because of some olive green paint on the wood.

The lumber included 20 pieces 2x4x10, two pieces 2x6x16, two pieces 2x8x16, and four pieces 2x4x10.

## "Verlie" Van Zandt New Partner At Vireno's Market

"Verlie" Van Zandt has become the new partner and manager of Vireno's Market, which has been run so successfully by foresighted "Pilot" Red Keithley and his sister and former partner, Viva K. Talley. Verlie is well known in this locality, having graduated from Jefferson high school. Her husband Bob is equally popular here, having been a member of the Daly City Volunteer Fire Department for many years.

Good luck to you, Verlie, as you take over the helm at Vireno's with your capable assistants, Millie Rockwell and Joe Kashaba.

Success and good wishes to Vie and Bill Talley in their venture into a new field, the oil industry, at Bakersfield.

## BANKS TO CLOSE JULY 4th AND 5th

Daly City and Colma branches of Bank of America have announced that they will close Friday, July 4, and Saturday, July 5. This is the same procedure followed by the bank last Memorial Day when the banks were closed on May 30 and May 31.

## Start Work On Improvements At Local Bank Building

Work is now under way for the enlarging and improving of the Daly City branch Bank of America building at San Jose avenue and Mission street.

Mr. Leonetti of the local branch stated that the completion of the work is looked forward to with great interest by the entire crew at the bank and that he expects completion of the project in the near future.

## Summer Recreation Offered Children And Adults Here

Anxious parents need not worry this summer about what recreation to provide for their sons and daughters now in elementary and high school. Elman J. Rose, director of the City Recreation Department, has settled that problem.

He has planned complete summer program which offers just about everything possible in the way of wholesome recreation on the city's playgrounds and in the craft room of the high school. In addition there will be special outings in various recreational centers of San Francisco throughout the summer.

Rose, in planning the program, has taken into consideration the needs of the elementary school children who, he says, need recreational guidance more than the older groups. However, high school students will fit into much of the recreational activities, and adults also will be welcome, especially for the craft instruction at the high school from 1:30 to 3:30 daily, Monday through Friday.

Every Tuesday throughout the summer, beginning on June 24, free movies will be shown at the high school auditorium.

On Thursdays, special events of a city wide nature have been scheduled and will include swimming and field meets, craft and hobby exhibits and a night program at the high school gym.

The summer recreational program will get under way on June 23 and will continue until August 30. The first week will be "Learn to Swim Week" while the second week, June 30 to July 5, will be "Outing and Patriotic Week."

Special events to be held off the city's playgrounds include a party at Thornton's Beach; trips to Golden Gate Park, the Seal's Stadium and Fleischhacker's zoo; and boating, swimming and roller skating parties.

In addition, a full program of crafts will be offered this summer at the craft room in the high school in the afternoons and on the playgrounds in the morning. Miss Florence Stefanelli will be the instructor and she will introduce new crafts each week.

Crafts which will be available include carving, modling, weaving and braiding, printing and tooling.

Miss Stefanelli will also conduct finger painting, poster painting and water coloring.

Summer playground directors are: at the high school playground—Frank Verducci, Jefferson Union High school coach, and Miss Mary Falbo, S. F. State College physical education graduate; at Marchbanks playground— Glen Smith, San Jose State physical education student, and Miss Kathleen Schreiber, S.F. State College education major; at Jefferson Elementary playground, Miss Lorraine Sanders, S.F. State College education major; at Lincoln Park playground, Miss Ruth Foster, S.F. State College education major; and at the Crocker Elementary playground, Clarence Lair, Jefferson Union high school coach.

## SUPERVISORS TO TAKE FINAL ACTION ON COUNTY BUDGET

Final action on San Mateo County's proposed budget of close to $6,500,000 for the 1947-48 fiscal year probably will be made at the next meeting of the board of supervisors on June 17.

Last Tuesday morning public hearings were conducted on the new budget, which includes approximately $100,000 which was added to cover other requests made after the tentative budget was drawn up.

The new requests include $66,950 for a water system at the proposed new juvenile home; $20,000 for the child guidance clinic which was approved by the board last Friday; $10,000 for a photostat machine in the county recorder's office; and smaller requests from other departments.

The board has until June 30 to take final action on the budget.

# NINETY-THREE SENIORS GRADUATE AT JEFF HI WEDNESDAY, JUNE 18

Commencement next Wednesday, June 18, at the Jefferson Union High School will be another step upward in the lives of the 93 graduating seniors and their parents.

It will be the end of four long, but eventful, years of study and hard work, of good times and play.

For some, high school will have been only the preparation for other school work — perhaps at California or S.F. State in the fall.

Others will enter business, join the military service or get married. But for all high school will have been an important milestone.

At the exercises next Wednesday evening at 8 p. m. in the high school, Peter Ratto, the valedictorian of the class, will give the farewell address. Peter, who is a life member of the C.S.F., plans to study pharmacy at the University of California in the fall.

Other student speakers on the program will be: Shirley Miller, the salutatorian, also a life member of C.S.F., who will give the welcome address; Walter Shannon, president of the student body, who will speak on "School Activities Prepare for Citizenship"; and Edward Dawson, class president, who will speak on "Athletics Prepare for Life."

The district school superintendent, Stanford Hannah, will announce the awards and scholarships which will be presented to several members of the class by different colleges and outside civic organizations.

Remi Sanders, chairman of the board of trustees, will confer the diplomas, assisted by Mrs. Pearl Jones, clerk.

Musical selections during the evening will be a trumpet solo by Don Girdler, and vocal solos by William Dawson and Lois Kern.

The high school chorus will sing "Let Us Now Praise Famous Men," "Lark in the Morn," and "Sweet and Law."

The high school band, under the direction of John McCarthy, will play "Atlantis" and the "Star Spangled Banner."

Graduating seniors who are members of the California Scholarship Federation are: Robert Geiss, Shirley Mason, Shirley Miller, Betty Pistohl, Peter Ratto and Walter Shannon.

Other members of the graduating class are:

James Allison, Rosemarie Atenisia, Lora Barghini, Joseph Barros, Jean Beal, Robert Belli, June Brandt, Ebert Burton, Ruth Byars, Odile Cantrille, Shirley Chester, Keith Claussen, Delores Cochrane, Patricia Colby, Frances Cotter,

Jacqueline Coudurier, Angelo Craviatto, Ruth Gross, George Curry, Jeanette Cuthbertson, William Dawson, Harry Dederman, Jacqueline deLosa, Richard Dietrich, Winifred Evans, Thomas Fazendin, Richard Felton, Alvina Feno, William Fischer, Isola Funai, Esther Galindo, Ann Girdler, Donald Girdler, Georgette Gomes, Lucy Gomez, Thelma Greenfield, Eloise Harrison, Arnold Heggelund, Doris Henson, Ethel Higgins, Doris Hite, Frances Hopkins, James Horner, Hazel Hunter, Keith Johnson.

Raymond Jones, Lois Kern, Mary Kimler, Marian Lufrano, Roberta Marable, Jacqueline Marocco, Shirley McLin, Silvio Menicucci, Edward Milano, Margaret Morgan, Ruby Murphy, Elaine Newcomb, Doris Olson, James Pederson, Lorraine Pendola, Gloria Piacente, David Plyer, William Quickert, Peter Ramer.

Marvel Ramsey, Betty Rivas, Patricia Rowley, Donald Rutherford, Helen Sarantitis, Angeleque Sarris, Allen Seiler, Mary Shackelford, Charles Sharp, Shirley Shiffman, Lucille Shreve, Betty Sorentino, Helen Stout, Robert Stneve, Edna Templin, Raymond Tonev, LaVerne Torkelson, Thomas Tromborg, Gloria Weber, Betty Whiteley, Mary Williams and Dolores Winter.

## Ladies Night And Installation Coming Soon For Lions Club

The Daly City-Colma Lions Club held their regular Wednesday luncheon meeting at Estrada's Spanish Kitchen, with the usual pleasant mixture of business and social doing combined.

Tickets for the annual Ladies Night and Installation, to be held June 25, were rapidly sold to the members with the sterling aid of Lion Al Harrison, a salesman of the first degree plus. It's going to be a big affair and arrangements are just about completed for the evening.

The club heard several comments as to the dangerous traffic situation for pedestrians on the main streets of Daly City and will try to help remedy the condition, as this is one of the most important problems in the entire community.

## St. Mary Grads Hear Valedictorian Stanley Parmisano

"Education should prepare a high school or college graduate to meet the problems he faces in modern society as well as the problems in a specialized trade or profession," Valedictorian Stanley Parmisano, of 101 Evergreen avenue, told the graduating class at St. Mary's college last Sunday.

Twenty-eight men were graduated at the ceremony, held on the chapel steps and Parmisano received the bachelor of arts degree, cum laude.

"Schools do not give an all-around general knowledge of western civilization and modern problems," he continued. "In addition, and even more important, education should have a nobler purpose than merely to help man make a heaven of earth.

"It should teach man that there is a world beyond matter," Parmisano added, "a world from which man now draws half his being and in which he shall live his whole and eternal life."

Parmisano said that education now teaches no such thing. "On the contrary," he said, "it teaches man that there is only the material world, and that, like the builders of Babel, man must build his paradise with mud and stone. . . Unless modern man looks to the other half of reality, unless he becomes conscious of the spirit and bows amid his temparol flux to the Eternal Constant, there shall be a confusion of tongues, and his mighty tower of Babel shall crumble and shake the earth into a final chaos."

Dr. Goetz A. Briefs, professor of labor economics at Georgetown and Columbia universities, also addressed the graduates.

Parmisano, who majored in philosophy and English at St. Mary's is planning to do graduate work at Catholic University in Washington, D. C. He was graduated from St. James high school, San Francisco, in February 1944, and was the student body president at college.

Immediately following the commencement exercises last Sunday, his parents gave a reception for him.

## FATHER'S DAY

There is much significance in the naming of Warren R. Austin "father of the year" in connection with Father's Day on June 15.

As the United States delegate to the United Nations, Mr. Austin has been striving earnestly to help establish peace through international understanding and cooperation.

The degree of success achieved by his efforts and those of other diplomats working toward the same goal, will largely determine the world conditions which the rising generation will face tomorrow.

One of the main purposes of Father's Day when it was established nationally in 1924 by President Coolidge, was to "impress upon fathers the full measure of their obligations."

If all fathers throughout the world—and that includes most of the leading diplomats—would earnestly consider what the "full measure of their obligations" requires of them in relation to their families, their country and humanity in general, they would work to banish war with the same zeal and intensity that have characterized the efforts of Mr. Austin. And under such circumstances lasting peace would be assured.

That's a gift within the power of the fathers to give their children. And what greater gift could there be?

# REDWOOD CITY OFFERS GALA AFFAIR JULY 4

Three full days of entertainment are in store for visitors to the Peninsula's Fourth of July Rodeo and Celebration, it was disclosed this week with release of the program of events.

In addition, there are two main pre-celebration events — one of them the Queen's Coronation Ball at which a young equestrienne will be announced to rule over the three-day show.

The Queen's Ball will be held Saturday night, June 28, at West Bay Motors in Redwood City, with Dude Martin's Roundup Gang furnishing the music. On Saturday, June 21, the annual barbecue will be held at Flood Park, Atherton, under the auspices of the Mounted Patrol of San Mateo county. It will start at 6 p. m.

For the celebration proper, the following principal events were listed by General Chairman Alton B. Cryor:

July 4—11 a. m., 12 noon, opening of games and concessions; 1:30 p. m., first day's rodeo; 7 p. m., Harmony Clan Western Revue; 8:30 p. m., free fireworks display; 9:30 p. m., dancing; 12 midnight, closing of concessions.

July 5—12 noon, opening of concessions; 1:30 p. m., rodeo; 7 p. m., amateur entertainment contest; 8:30 p. m., fireworks; 9:30 p. m., dancing; 12 midnight, closing of concessions.

July 6—12 noon, opening of concessions; 1:30 p. m., rodeo; 6 p. m., closing of celebration.

# Peter Ratto Wins Bausch & Lomb Science Medal

Peter Ratto, 17 year old Jefferson Union High school student, has just received word that he has been awarded the Bausch & Lomb Honorary Science Award medal for achieving the highest scholastic record in science subjects in his high school course.

Young Ratto, son of Mr. and Mrs. Bartolomeo Ratto, of Colma, also has been awarded a $50 scholarship by the Alumnae Association of the University of California.

Competition for the bronze award medal is keen as the winner is eligible to compete for one of the five Bausch & Lomb Science Scholarships at the University of Rochester. Although young Ratto is planning to compete for the science schalorships, valued at $1500 each, he has practically decided to enter the University of California in the fall.

In commenting upon the science award, Stanford Han.ah, principal of Jefferson Union High school, said: "The study of science is assuming increasingly greater importance in American education and industry. Winning the Science Award medal at Jefferson Union High school is, in itself, a significant indication of scientific aptitude."

Peter, who is the valedictorian of his class, will graduate from high school next Wednesday. He has been a member of the California Scholarship Federation for the past four years and has been active in the German club. He plans to study pharmacy in college.

# Crocker P.T.A. To Hold Party For School Graduates

The Crocker P.T.A. is making final arrangements for a party to be given for the graduating class of Crocker School on Wednesday, June 18, and a picnic at San Mateo Park on June 24.

At the last meeting of the P.T.A. group held on June 10, the new officers were in the chairs. Mrs. Ann Ingersoll made a report on the president's meeting held in Burlingame.

The following officers were ratified for this term: program, Mrs. Florence Schmidt; founder's day, Mrs. Eve Hobbs; magazine, Mrs. Olga Bordson; life membership, Mrs. Ann Eason; sunshine, Mrs. Betty Kohlbrenner; sewing, Mrs. Mary Wakefield hospitality, Florence McKay; patriotic, Mrs. Martha Wegner; character education, Mrs. Vivian Pahlka; membership, Mildred Seiler; publicity, Mrs. Edna Mullen; publicity book, Mrs. Virginia Davidson; finance and budget, Mrs. Ann Ingersoll; music, Mrs. Marie Pool; study, Mrs. Madeline Anderson; recreation, Mrs. Ann Eason; child health, Miss Zimmerman, school nurse; radio, Mrs. Alice Tylenda; safety, Mrs. Allene Lehigh; registration, Mrs. Lillian Cavagnaro; student welfare, Miss Marjory Tobias; motion picture, Mrs. Bea Ceratti; pins and emblems, Mrs. Emma D'Isep.

At the close of last Tuesday's meeting, refreshments were served by Mrs. Bessie Runge and Mrs. Betty Kohlbrenner.

## Vets Work Too Hard Says U.C. Psychologist

Many of the veterans studying on the Berkeley campus of the University of California are working too hard, says Dr. Olga L. Bridgman, professor of psychology.

Their very seriousness of purpose, when applied to study habits, creates a mental tenseness which causes many of them to miss the broader benefits of University life, she says.

Many of the veterans, particularly the married ones, she believes, actually have too many responsibilities to permit them to give adequate time and effort to their studies. The process of learning, she points out, is one of relaxed assimilation rather than purposeful determination.

## Good-neighbor policy party-line style

To provide telephone service to more people, there are more party lines in use these days than ever before...and most telephones are busier than ever before. When you share a line with one or more parties, you'll all get the most from your telephone service if you'll remember...

### Five Golden Rules for party-line neighbors

- *Space your calls instead of making an extended series of them...and talk only as long as necessary.*
- *If yours is an emergency call, and the line is in use, explain the circumstances to the person using the line.*
- *If you are calling from a dial telephone, always make certain the line is clear before you dial.*
- *Ask your youngsters not to monopolize the telephone.*
- *Replace the receiver properly when you finish your call.*

*Thank you!*

# Sgt. Jose Ramos Awarded Medal In Down-Town Tokyo

Master Sergeant Jose E. Ramos, of 101 Shakespeare street, Daly City, recently was awarded the Army's Good Conduct medal during colorful presentation ceremonies on the Imperial Parade grounds in the heart of down-town Tokyo.

Sergeant Ramos, who earned the medal because of his behaviour, efficiency and fidelity over a two year period, is a member of the Headquarters and Service group of General MacArthur's headquarters in Tokyo. His duties consist of performing the work of manager of a dependent apartment building in the Japanese capital where he supervises nine enlisted men and 350 Japanese employees of the U. S. Army.

Ramos, who graduated from the Cotabato High school in the Philippines in 1939 and from the Philippine Nautical school in 1941, was employed as a ship's quartermaster with the Dela Rema Steamship Co., San Francisco, before he entered military service in July 1942.

Young Ramos received his basic training in Australia, and upon completion of this, and other intensive courses of study, acted as intelligence agent and reconnaissance scout in the Philippines more than one year before the invasion by Allied forces.

Sergeant Ramos arrived at General MacArthur's headquarters in Tokyo in March 1947. His wife, Mary Jane, makes her residence in Daly City and his parents live in the Philippines.

## Front Wheel Bearings

Front wheel bearings on your car should be cleaned, adjusted and re-packed with fresh lubricant by a competent mechanic at regular intervals, advises the California State Automobile Association.

## Chevrolet Co. Presents New Line Of Cars And Trucks

Chevrolet will soon present a new line of commercial cars and trucks, M. John Soldavini of the Belli Motor Co. said today upon his return from Oakland, where he witnessed a pre-showing for Chevrolet dealers in this area.

"Without doubt, the new line of Chevrolet trucks is the finest ever offered to the American public," he said. "In style, comfort and hauling efficiency, the vehicles set new standards which are certain to secure the endorsement of all truck owners and drivers."

The new line of trucks will be shown at Belli Motor Co., 7400 Mission street, Daly City, within the near future, the exact date to be announced later, Soldavini said. Truck owners and operators and all others interested in truck transportation will be welcome.

# Returns To Hawaii After Sub Trip

Thomas Atienza, fireman first class, son of Mrs. Ruth C. Catramis, of 161 Belleview, Daly City, is now back in Hawaii after having served aboard the submarine USS Bengal, which recently completed operations in the Bering Sea, testing equipment and personnel reactions to cold weather.

Young Atienza, who attended high schools in San Francisco and San Diego, served in the Merchant Marine for some eight months before he joined the U. S. Navy one year ago.

He is serving aboard the Bengal, which, during the war, sunk 18 Japanese ships on four war patrols besides damaging a battleship and a heavy cruiser.

## Minimum Oil Limits

"What is the minimum amount of oil to have in the crankcase?"

That is a question that many a motorist would find it difficult to answer, declares the National Automobile Club. Experience has indicated, however, that in the case of the average car, the motorist begins to challenge the trouble when the crankcase is anything less than half full. That standard still holds, too, despite the general use of pressure lubrication systems. Modern cars take more engine cooling than their predecessors and they will overwork a limited amount of oil very quickly. That's why oil consumption increases as the amount in the crankcase decreases.

## JEFF HIGH SPORTS . . . . . .

By Tom Tromborg

**Spring Practice Ends**

With a class of 98 seniors graduating, final examinations in their last stages of completion, and school in preparation for the closing during the summer, the official spring practice for 1947 makes its exit this afternoon.

Today at Jefferson will be held an intersquad football game going the full time distance, under actual game conditions. The squad will be divided into two equal groups, with the coaches doing the officiating. The merits and advantages of spring practice will bear its fruit in the fall, when actual league competition starts, and it is now apparent that the Jeffs will feature the spread T, with an overshare of passing and razzle dazzle running of the ends and tackles.

The final summary on the team comes to this deduction; the backs are not fast, the ends are about average on offense but lack in capability on defense, tackles are and should improve, guards might hold their own, and the center is strong. The club has lots of spirit, but is green from end to end, with reserves being in priority. Look for Morgan, Bolster, and Lazzerini to be outstanding in the line, with Robinson, Harje, and Mossi to shine in the backfield. Robinson seems to be the only brokenfield runner on the club, but Van Kirk might surprise. Mossi has his best pass receiver in De Salvatore.

Mossi will find he is passing under extreme pressure this season, and that he will have to rush his kicking if he is to get them off. Final league standing for the varsity is fifth with a possibility of even going lower.

As far as the Frosh is concerned, Verducci has little if any hope for a successful season, and figures on the team this year to develop in the fundamentals of football, and to gain actual experience which will give them a better chance next season. Most of the Frosh teams from other P.A.L. teams have lost heavily so I rather guess that the Jeffs will partially hold their own. Most of the material is freshmen supplied so it is hard to guess just what the Frosh have. The team will use the T, and from all points it looks like a none to successful season for the Frosh. Some of the boys asked for a review of three years of football here at Jefferson, saying that as their graduation draws near they would like to see the record they left here at Jefferson; so here goes with three years of football with one year the most successful in the school's history and the others quite to the opposite.

In 1944 we started off our football season by losing to the graduating seniors in spring practice to the tune of 19 to 0. In the fall of 1944 we opened against Tamalpais at Tam, and got beat in a most convincing fashion 27 to 7. Next we lost to our greatest rivals in a practice tilt 12 to 2. (That being South City.) In the following week we lost to Albany of Berkeley in our greatest defeat in 5 years by a staggering 41 to 7 count. Next we gained our first triumph over Tracy because of forfeit. After a lapse of three weeks we blasted out a shutout victory over undefeated Mountain View to the most satisfying score of 13 to 0. We ended our season by edging South City in the Thanksgiving traditional 7 to 0.

In forty-five under a new coach we started off the season with a double wing formation, and got dumped by South City in a practice tilt 19 to 12. Next, Washington of Centerville blasted us 26 to 6 and we started off the P.A.L. season by taking our third straight loss in a row by Palo Alto 13 to 7. Folice and company of San Jose gave us a ride in a 26 to 6 trip to defeat. Eddie Mack and his San Mateo guns next played with us in a 32 to 2 shellacking, and Sequoia toyed some more in a 26 to 12 victory. Burlingame, a not so hot team, got the better of us 21 to 7 and we lost a heart breaker to South City 21 to 7. We ended the most disastrous season in our school's history by getting blasted by Lincoln of San Jose 33 to 13. At least we scored on every team!

In '46 under Coach South the Jeffs took to the T formation, and with a wealth of experience under them and some avenging to do they got red hot in the beginning of a season that was to take us to second place in the P.A.L. and give the Jeffs their most successful football season in the school's not too proud football history.

We started the season by getting a 0 to 0 tie with Centerville in a game we should have won. (Incidentally Centerville won the Transbay title.) Next we blasted all over the field Menlo high in a convincing 30 to 0 triumph. In the first game of the '46 season we upset the P.A.L. dream team of San Jose high, and stopped Folice cold, and the purple and gold came out victorious 13 to 7. Next the Jeffs rolled over San Mateo 18 to 6, followed next week by an upset when Sequoia spoiled our chances for the title as they won out 19 to 7. The next week we lost with the breaks against us as we tasted defeat at the hands of Burlingame 27 to 13. We regained our stride against Lincoln of San Jose in a 13 to 7 victory and then fought to a 0 to 0 tie with Palo Alto on a mud soaked field. We ended our season with a 12 to 6 victory over strong South City before 4,000. This was the first season that a Jefferson team ever scored over 100 points, as the team ended the season scoring a 106 points to 68 for the opposition.

This is the last article by this writer as I am now about to graduate with my class, after four years of war with the high command. (That's the faculty.) I hope that next semester Jefferson High will again send its news to the Record so that all the people interested in Jefferson and what it is doing, whether it be in sports or otherwise may be able to read about it in a column something similar to this. Old Jeff has its faults and its ups and downs, but, taking her against the best of them, "she's the best, bar none."

## Slipping Clutch Wasteful

Your car may waste gasoline because of a defective or slipping clutch, according to the California State Automobile Association. A slipping clutch causes power loss between engine and wheels.

## Protruding Elbows Can Lead To Accidents

The California State Automobile Association cautions motorists against driving with the left elbok protruding outside the car window. This practice can be dangerous when modern cars, without running boards, pass each other on narrow roads.

## Home Run Wins Close Contest For Daly City Nine

A home run by Dick Schultz, third baseman of the D.C. Merchants, proved to be the deciding point in the game with the Weltner Indians at Palo Alto last Sunday. The Merchants wound up on the top end of a 7 to 6 score.

The score was tied up, 6-6, at the last half of the eighth. In the next inning, Schultz hit a fast one over the left fielder's head for a home run. The winning pitcher was Fred Fazzio.

This Sunday the Merchants play El Camino Club at Marchbank park at 2:15 p. m.

## Physical Training Aids Social Adjustment

A greater emphasis on physical education for adolescent boys deficient in physical traits might well result in a better social adjustment for many individuals.

This is the conclusion of a study of 17-year-old boys published in the Journal of Educational Research by Dr. Harold E. Jones, professor of Child Welfare at the University of California.

Dr. Jones points out that one of the chief sources of social esteem among adolescent boys is skill in athletics, and this is attributable not merely "to the high premium which adolescents place upon athletic proficiency, but also to the fact that strength and other aspects of physical ability are closely joined to such favorable traits as activity, agressiveness, and leadership."

## HOLY ANGELS PIGMY TEAM WIN ANOTHER

The Holy Angels Pigmys, who are climbing fast up the championship ladder, will play the winners of the Oakland-Marin Pigmy division for the championship of the archdiocese at the Oakland ball park in Emeryville this Saturday afternoon at 12:30 p. m.

The local Pigmys are winning one ball game after another, and much of the success has been due to Faustino Quitivis. Last Saturday he struck out 13 men when the Holy Angels defeated the Holy Name Pigmy team, 6-0, at the Seals Stadium.

Quitivis, in the eight games in the pigmy division, has allowed only six hits. He has pitched three no-hit games, and two of these were no-hit, no-run games.

Last Tuesday was the first time that the local Pigmys wore their uniforms and the eagerly awaited event thrilled the boys' hearts.

Victor Baher, sr., is coach of the local team, and his son, Victor Baher, jr., is catcher. Batteries for the Holy Name team were Dick King, pitcher, and Ken Harrais, catcher.

In another game last Tuesday, the Holy Angels juniors lost 3-2 to St. Peter and Paul's for the championship of San Francisco.

## Homecoming Event For S.J. State Grads

San Jose State College alumni from all parts of California are invited to attend the annual Homecoming on the campus Saturday, June 14. The celebration begins with early morning breakfasts and reunions, featuring a traditional outdoor luncheon at 12:30, and closes with a dance at Hotel de Anza in the evening.

Speaking for the main-event luncheon, which can accommodate a maximum crowd of 600, will be President Thomas W. MacQuarrie of the college, and Football Coach Wilbur "Bill" Hubbard. William Stevents, '35, of San Jose, president of the Alumni Association, will preside.

Golden Grads, unique association of alumni who graduated from San Jose State College 50 or more years ago, will meet between 9:30 and 12 to elect officers and conduct other business. Their president is W. J. Cagney, '91, of Lancaster.

Classes of 50, 25 and 10 years ago, the graduates of 1897, 1922 and 1937 will be honored at the Homecoming. The 1897 class will be accepted into the Golden Grad Association.

# Beloved Pioneer Resident Dies Here On Monday, June 9

Mrs. Anna Ghiotto passed away here Monday night, June 9, at 74 Gambetta street. She was one of the "old-timers," having lived in Daly City for the past 36 years.

Well known and long to be remembered throughout the entire city for her many kind acts and thoughtfulness for others she leaves to mourn her loss her husband Dominic Ghiotto, her son Atillio Ghiotto and a daughter, Mrs. Norma Dunn.

Requiem high mass for the repose of her soul was held at Our Lady of Perpetual Help church on Thursday. Interment was at Holy Cross cemtery.

## SEVENTEENTH DIST. C.C.P.T. INSTALL NEW PRESIDENT

Mrs. Florence Strohmeier was installed as president of the 17th District C.C.P.T. at Bondy's in Belmont on May 15. Mrs. J. J. Garland, junior past president, was the installing officer.

The meeting was called to order by Mrs. Strohmeier, and after the pledge of alligance and the roll call, reports of the state convention were read. The report of membership was given as 10,340 for the district.

Mrs. Eve Hobbs, president, and Mrs. Virginia Davidson, past president, represented Jefferson Union High School P.T.A.

# Mrs. L. McLaughlin Returns From Vacation In East

Mrs. L. M. McLaughlin, of 180 Irvington street, is back home in Daly City, after a six weeks vacation in the East, where she visited her son in North Carolina, saw the sights of New York City and spent a few days with her daughter-in-law's mother in Chicago.

Mrs. McLaughlin left San Francisco on April 20, and after a plane trip across the country, spent most of her vacation with her son, Lt. Col. John D. McLaughlin, a glider pilot and paratrooper of the 82nd Airborne Division, Fort Bragg, North Carolina. She was there for Mother's Day and saw the baptism of her new grandson, John D. McLaughlin, junior, by Chaplain Edwin J. Kozak, a paratrooper priest and army captain.

The youngest general in the army ground forces, Major General J. M. Gavin, is the commanding officer of the 82nd Airborne Division. It was while Mrs. McLaughlin was at Fort Bragg that the division was undergoing some of its combat training. Every day for one week steady, 14 planes wtih 40 men in each plane, performed their parachute jump practice.

Mrs. McLaughlin says it was really a thrilling sight to see so many men dropping out of the giant transport planes and then gliding slowly down to the earth.

One of the highlights of the North Carolina stay was the visit of a group of Egyptian officers, including the Chief of Staff of the Egyptian army, to Fort Bragg.

During the latter part of May, Mrs. McLaughlin spent a few days visiting the various places of interest in Washington, D. C., including the Capital, Arlington National Cemetery and the White House. During her brief stay in New York, she took a tour of the city.

It was while Mrs. McLaughlin was in Chicago that she visited with her daughter-in-law's mother and father, Mr. and Mrs. Frank Stumper.

Incidentally, Mrs. McLaughlin's other son, Pfc. Tom F. McLaughlin, is now in the U. S. Army in Korea and is a member of Company I, 20th Infantry Regiment. He signed up with the army for two years and he wants his friends at the Daly City Creamery to know that he is fine.

# Woodrow Wilson P.T.A. To Give Graduation Party

Final arrangements for the graduation party at the Woodrow Wilson school next Wednesday afternoon were made by the executive board of the Woodrow Wilson P.T.A. during a special meeting last Tuesday. The meeting was held at the home of Mrs. Frieda Cady, past president, of 741 Niantic street. Co-hostess was Mrs. Marie Miller, president.

Elman Rose, recreational director, gave a talk to the board regarding the program being outlined for the vacation period. Information concerning the activities are elsewhere in this issue.

Board meetings will be discontinued until school is resumed in September.

The P.T.A. is buying ice cream for the children in the primary and elementary grades and it will be given to them on the last day of school, June 20.

Mesdames Frieda Cady, Marie Miller, Nellie Hocker, and Elsie Hesselein attended the 17th district P.T.A. meeting at the Burlingame high school on June 9 and gave their reports.

At the meeting all new chairmen were ratified. They include: Mesdames Elsie Hesselein, program; Hilda Heagney, membership; Florence Hopman, legislation; Genevieve Haynes, sewing; Lena Banfield, sunshine; Mildred Morgan and Irma McCown, hospitality; Rose Wright, founder's day; Irene Williams, Louise Darnell and Eleanor Cameron, finance and budget; Lillian Thomey, student aid; Miss Zimmerman, health; Virginia Orluck, motion pictures; Virginia Hunter, magazines and emblems; Frieda Cady and Martha Linden, character education; Gretchen Olsen, defense: Wilma Riley, publicity; Angie Thur, publicity book; and Mildred White, room mother.

House furnishings . 3.7 cents
Miscellaneous 25.6 cents
* Fuel, Electricity and Ice . . 2.1 cents

That is a good question and you should know the answer. It is only a small part of each dollar you pay out to run your home and feed and clothe your family.

And the reason is that gas and electricity are among the very few cost-of-living items you still buy today at way-below pre-war prices. (Since 1939 the cost of electricity has gone *down* 16% and the cost of gas has gone *down* 33%).

The chart to the left, which is based on an official government report from the Bureau of Labor Statistics, shows that the costs of gas and electricity are mere fractions of each dollar you spend to maintain home and family.

Gas and Electricity are the outstanding bargains in the home today!

**just 9/10 of a cent goes for GAS*
**just 8/10 of a cent goes for ELECTRICITY*

Accident investigations took most of the time of the police department during the past week.

The most serious accident was a collision between the cars driven by Cari Wolff, of 637 Gough street, San Francisco, and Donald Lykhe, of 59 41st avenue, San Mateo, at the corner of Westlake and Mission streets, last Friday afternoon. Injured in the accident were Misses E. Wolff, 31, and Ruth Mackie, 37, both of the San Francisco address. They were taken to Alemany Hospital. Lykhe was given a tag for violating sections 510 and 531A of the C.V.C. Wolfe's car was taken to Lombardi's Service Station and Toda[illegible]e's car was taken to the Daly [illegible] inte[illegible]Garage.

[illegible]e full [illegible] on Friday there was an ac[illegible]me co[illegible] involving the automobiles [illegible]vided i[illegible]ley E. Waligora, of 145 San [illegible]e co[illegible] avenue, and Einar H. Han[illegible], of 79 Guadalupe street.

One week ago today, Edward W. Goldkuhl, of 101 West Lake avenue, backed his Ford truck out of his garage into a Ford coupe owned by Ernest J. Beem, of 444 Edinburgh street, San Francisco. Damaged were the bumper and part of the body of the Beem car.

Two fires and one false alarm were reported during the week.

Last Saturday afternoon Co's 1, 2, and 6 responded after the brakes of a Plymouth sedan, driven by Miss Myrtle Blair, of 231 Sagamae street, caught fire. Fire alarm box at Westlake and Miriam streets was pulled from the outside.

Last Thursday a grass fire in a vacant lot on East Moltke street was put out by Co's 1, 2, and 6.

A false alarm was reported last Friday evening when fire alarm box No. 29 at Woodrow Wilson school was pulled from the outside and Co's 1, 2, 4 and 6 responded.

Injured in minor accidents during the past seven days were nine year old Robert Eiler, of 230 Santa Barbara avenue, who was cut on the head by a broken bottle while playing with some boys, and Mrs. P. C. McPherson, of 469 Vista Grande avenue, who fell and injured her arm. Both accidents happened last Thursday.

In other police blotter developments, William B. Kerns, of 2534 19th avenue, will appear tomorrow before Judge Sweeney on a charge of violating section 502 C.V.C. Kerns was arrested early Sunday morning and later released on a $125 cash bond.

Mrs. McIntyre, of Merced Pet Hospital, Junipero Serra boulevard, reported that all of her mail was taken from her mail box located on Niantic avenue on Saturday and was thrown into the front yard of Mrs. Peterson, of 551 Niantic avenue, either late Sunday or early Monday.

Harold Callan, of Route 1, Box 65, Colma, was treated at Junipero Serra Hospital on Friday afternoon for a dog bite. The dog is believed to be owned by someone residing on San Pedro road.

A brown cocker spaniel was injured by a car driven by John Flemming, of 17A Peoria street, near Hanover and Peoria last Saturday evening.

Seven teen-age youths, meeting as a club in a vacant garage on San Mateo avenue, were reprimanded for having entered the garage and using candles for light and creating a fire hazard last Friday afternoon.

A reddish brown and white toy fox terrier was reported stolen from the car of Mrs. Joe Major, Box 1128 Sharp Park, by two unidentified youths last Sunday evening.

A child's wagon was stolen last Sunday from in front of the home of Elwood Corkey, of 67 West Cavour street.

Paul Pizzi, of 229 Oliver street, reported on Thursday that a boy's red and white bicycle had been left in front of his home for about two days. The bicycle is now in Pizzi's basement.

Three children were bitten by dogs, between Tuesday and Thursday of this week. They were given medical attention by local doctors and Poundmaster Silicani has some of the dogs under observation.

On Wednesday, June 11, Joan Lowther, 3434 Geary street, San Francisco, was thrown from a horse and painfully injured. She was taken in an ambulance by Welsh and Smith to the Junipero Serra hospital and treated by Dr. Lawler A. Drees.

## Safe Distance

Motorists should always follow the car ahead at a safe distance, advises the public safety department of the National Automobile Club. A safe distance is one great enough to permit the motorist to come to a full stop should the driver ahead suddenly and unexpectedly apply his brakes.

# STATE FAIR OPENS AUGUST 28 AT SACRAMENTO

Forty-three of California's 58 counties have signed up to display their products at the 1947 State Fair, scheduled for Sacramento August 28 through September 7, it was announced today by Ned Green, secretary-manager. Counties exhibiting are: Alpine, Alameda, Amador, Butte, Calaveras, Colusa, Contra Costa, Fresno, Humboldt, Inyo, Kern, Kings, Lassen, Los Angeles, Madera, Mendocino, Merced, Modoc, Navada, Orange, Placer, Plumas, Riverside, Sacramento, San Bernardino, San Diego, San Francisco, San Joaquin, San Mateo, Santa Barbara, Shasta, Siskiyou, Solano, Sonoma, Stanislaus, Sutter, Trinity, Tulare, Tuolumne, Ventura, Yolo and Yuba.

This is the largest number of counties ever pledged to the fair, which will be resumed this fall after a lapse of six years. In 1941, when it was last held, 29 counties exhibited.

Governor Earl Warren said, in a recent meeting, that the 1947 fair has an unrivalled opportunity to display the greatest agricultural wealth in the nation. California led all other states in value of agricultural products the past four years. Total agricultural and livestock production in 1946 was $2,100,000,000, according to the state department of agricultural.

In addition to 11 nights of outdoor spectacle and entertainment directed by Adrian Awan of Hollywood, in front of the grandstand, the first postwar fair will offer eight days of running and harness racing.

One of the nation's top show bands, Spike Jones, was signed by Awan, this week, for two of the 11 nights, September 2 and 3. Opening night, August 28, will feature a historical pageant in which scores of actors and actresses will take part.

Green announced today the grounds—at Stockton Boulevard and Fifth avenue in Sacramento—will not be rented to any organizations after June 21, when boys from all over the State will participate in the annual statewide Boys' State. Governor's Hall, rented weekly to dance banquets, will be closed to these after August 1. It will be reopened following the close of the fair, September 7.

Work is progressing rapidly on the $493,000 rehabilitation program, begun after the army relinquished use of the grounds.

# General Mark Clark Speaks June 23 In San Francisco

General Mark Clark, coming from Europe to take command of the Sixth Army at its Presidio of San Francisco headquarters, will be principal speaker at a giant public reception to be held in his honor at the National Guard Armory here June 23.

Nearly 4000 people, including the State's most prominent citizens, are expected to gather at the 14th and Mission streets auditorium for the occasion. Leaders of all bay area communities, their chambers of commerce and civic groups, churches, business, labor and veterans organizations are already indicating their desire to join with the public in welcoming the four-star soldier-diplomat to California.

The event, arranged by Major General R. E. Mittelstaedt, commanding general of northern California's 52nd Infantry National Guard Division, is co-sponsored by the 112th AAA Brigade and 61st Fighter Wing, National Guard.

General Clark's speech is expected to lay great emphasis on the present strained international situation, it was learned. Since his arrival in the United States near the end of last month, the four-starred war leader's pessimistic comments on American-Soviet relations have caused world-wide comment and Russion press accusations of "warmongering" against the general.

The armory meeting will give Westerners their first opportunity to see and hear General Clark since before his famed pre-invasion landing in North Africa in 1942. At that time Clark, then a brigadier general on General Eisenhower's staff, was sent by British submarine to make the arrangements with North African authorities that were to greatly simplify the Allied landings and save thousands of American lives. Success of this mission started him on the road to fame and full general's rank.

General Clark comes to the bay area from Moscow, where he acted as a key adviser to the Secretary of State, General Marshall, at the Conference of Foreign Ministers. Prior to that assignment, Clark headed American accupation forces in Austria and participated in the drafting of the Austrian peace treaty.

General Mittelstaedt has issued a blanket invitation to the general public to participate in the Welcome to California event by coming to the National Guard Armory, 14th and Mission streets.

## Red Cross Offers Summer Series Of Swimming Classes

Three separate series of Red Cross swimming instruction will be given at the Jefferson Union High School this summer.

All classes will be held in the morning and persons wishing to learn to swim or improve their swimming style are encouraged to register.

One series of instruction will be held every day except Sunday from Monday, June 23 through Thursday, July 3.

The next two series will be held from July 7 to August 2. One group will meet on Monday, Wednesday and Friday, while the other group will meet on Tuesday, Thursday and Saturday.

There is no fee for the instruction. The $1.00 fee covers the use of the locker room, pool and suits. Each swimmer must bring a towel. Girls must wear caps.

Classes for women are being organized for Wednesday evenings as well as during the mornings.

Registration for each period of instruction will close as the enrollment reaches 20.

Other information may be obtained from Miss Young at JUniper 4-2510.

# Gen. Pershing P.T.A. Square Dance Was Lively Affair

Opening with a grand march at 8:30 p. m. and leading right into a Virginia Reel, the General Pershing PTA dance last Saturday night got right into the spirit of the occasion. Presiding on the platform of the Bellevue avenue firehall were Mr. and Mrs. John Scarecrow. Mrs. Scarecrow was charmingly attired in a patched gingham dress and sunbonnet. Mr. Scarecrow's denim coveralls were the envy of all the men.

Two demonstration square dances were presented by Mr. and Mrs. Abe Gensel, Mr. and Mrs. F. W. Bauer, Mr. Tom Jent, Mrs. V. M. Faragher and Mr. and Mrs. Jack Caine, with Mr. V. M. Faragher calling.

This group then taught the numbers to others and in no time two squares were going. From teenagers to the gray-haired folk enthusiasm was high and the announcement of a dance to be held July 12 in the same hall was resoundingly cheered. Mrs. Tom Jent, chairman, invited everyone to come and bring their friends to the July dance.

## American Legion Auxiliary Will Nominate Officers

First nomination of officers of Daly City Unit No. 410, American Legion Auxiliary, was held at the unit's meeting on Wednesday night. Second nomination and election will take place at the first meeting in July, which will be July 2. Members are urged to be present at the meeting.

On On Thursday evening a meeting of all unit chairmen to complete the year's activities was held at the home of Mrs. Olga Bordson, 614 Templeton avenue.

## MANY ATTEND CHRISTENING AND BIRTHDAY PARTY

It was a red letter day for Mrs. Rosa Spain last Sunday. She celebrated her 79th birthday and her great grandchild, Candyce Anne Panella, and her grandchild, Gayle Gloria Marchi, were christened.

About 50 were present at the home of Mrs. Klingler, 601 Hanover street, for the big occasion. Father McKenna officiated at the christening.

Mrs. Spain is the mother-in-law of Mayor Melford Battye.

# Gen. Pershing P.T.A. Participate In 17th Dist. Meeting

Mrs. M. E. Nenstiel, president, and members of the finance and program committees, including Mrs. Robert Poole, Mrs. F. W. Bauer, Mrs. Abe Gensel and Mrs. V. M. Faragher, went to Burlingame on Monday, June 9, for the 17th District C.C.P.T. executive board meeting, at Burlingame High school.

Morning discussions were on State information concerning program planning, finance and budgeting.

Seventeenth District committee chairmen were ratified. Mrs. F. W. Bauer jr., past president of General Pershing PTA, will be district citizenship chairman for the coming year.

The meeting was adjourned to Gunst Park for picnic lunch and the afternoon meeting was held in the park.

## Correct Timing

Correct ignition timing means much to automobile economy and performance, the California State Automobile Association suggests. Changes in motor fuels may be compensated for by corrections in timing, but this work should be done by a skilled mechanic.

## Big Time For The Irish Slated For Saturday Eve

The birthday of one of Eire's greatest organizers of national endeavor—Wolfe Tone—will be celebrated by the Knights of the Red Branch of San Francisco with a dance in the K.R.B. hall, 1133 Mission street, between 7th and 8th, on Saturday evening, June 21.

All of the Irish organizations in the San Francisco Bay region are planning to participate in the anniversary. It is anticipated that a great gathering of the Irish will be on hand to do honor to a patriot who fought and offered himself in sacrifice for the freedom of his country.

The committee has arranged for a lively evening of American and Irish dancing to the strains of a specially selected orchestra of Irish musicans. Many popular numbers will be featured, including highland fling, horn pipes and polka sets.

### Trout Limits Taken

Anglers took several limits of fair sized trout last week from Lake Alpine, Alpine county, and San Antonio and O'Neil Creeks, Calaveras county, reports the National Automobile Club. Record crowds of anglers came into this area and all camps along State Highway 4 were full.

### Good Trout Opening

Trout fishing was good on opening day at Lake Millerton, Fresno county, according to the National Automobile Club. Although not many limits were taken, almost everybody caught fish. Some sizable trout were taken from this lake over the opening week end.

### Vet Service Officer Issues Warning

Veterans who are drawing compensation for malaria were warned today by Floyd D. Granger, Veterans Service Officer, that recent rulings of the Veterans Administration provide that disability payments for malaria will be cut off at the end of a year without a physical examination, unless medical evidence has been sent in to prove the veteran had suffered a relapse or recurrence during the twelve-month period.

Veterans are advised to report to a physician every time a relapse occurs, securing the doctor's statement indicating the attack was malaria together with treatment records and evidence of a positive blood smear.

Affidavits from other persons who have seen the attack will also be helpful. All this evidence should be submitted to the VA immediately following each attack.

Additional information dealing with this subject and any other type of problem dealing with veterans' compensation benefits may be secured from the Veterans Service Office, located at San Mateo Court House, Redwood City.

For the convenience of veterans residing in other parts of the county, Mr. Granger is at 215 Linden avenue from 1 to 2 p. m., South San Francisco every Tuesday; at San Bruno city hall from 2 to 3, Tuesdays, and at 30 B street in San Mateo every Wednesday and Friday from 10 to 3 o'clock.

## History Of The American Legion

**Americanism**

The American Legion enjoys the distinction of being Public Enemy No. 1 of Communism and all other alien "isms" in this country.

This is the natural consequence of the tried and tested patriotism of the world's largest veterans' organization.

Members of The American Legion have an investment of toil, hardship, blood and battlefield horrors in the American way of life represented by their wartime services. They don't want those sacrifices lost. They know the cost of their liberties.

Legionnaires also discovered at first hand, through comparisons made with their own eyes abroad, that there is nothing in the world comparable to the American way of life.

They have achieved a real appreciation of American blessings the hard way.

Because of these personal "discoveries in Americanism" which Legionnaires have made in their wartime services, they have become adamant against the efforts of all foreign evangelists to beguile American citizens into swapping their cherished birthright of freedoms for any mess of imported philosophies of life and government.

The American Legion launched a militant campaign against all subversive activities early in its history because it saw that the exponents of foreign "isms" were determined to force their pernicious doctrines on this country by force or violence if need be.

They realized that these preachers of imported brands of living made deceit and lies their major weapons and that some misguided and shallow-thinking Americans were falling for this deception.

The American Legion sponsored the creation of the House Committee on Un-American Activities, whose exposes have opened the eyes of lawmakers and citizens alike to the evil machinations of subversive forces.

**Citizenship Building**

In building bulwarks for the American way of life, however, The American Legion recognized that part of the job was developing future good citizenship.

The American Legion's great youth-training programs are designed to make future citizens grow up in a realistic appreciation of American blessings. When that appreciation is achieved, there is also achieved the ready willingness to defend those blessings. In building future good citizenship, The American Legion is sponsoring the following programs through its national, state and post Americanism committees:

The annual national high school oratorical contest in which 200,000 students are expected to participate in 1947.

The annual junior baseball program in which more than 500,000 boys under 17 years of age will be enrolled this year.

Sponsorship of more than 40 boys' states annually in which selected youths learn about democratic practices by organizing and operating mythical 49th states.

Sponsorships of the annual Boys' Forum of National Government in which selected graduates of Boys' State learn about Congress.

Sponsorship by American Legion posts of more than 4,000 Boy Scout troops in 1947.

Award by posts annually of more than 16,000 school medals to grade pupils for qualities of honor, courage, scholarship, leadership, and service.

A nationwide program of flag education.

Sponsorship of "I Am An American Day" annually for formal induction of youths who reach voting age into the sovereign estate of American citizenship.

Sponsorship of a nationwide program of organized recreation to lay a foundation of sound bodies and minds for good citizenship.

Co-sponsorship of annual American Education Week to develop stronger public support of the nation's schools.

Leadership of all patriotic observances.

Operation of citizenship-training schools for the foreign born.

Carrying on of a vast program of community services by posts.

Strengthening of the nation's imigration and naturalization laws.

More than 70 per cent of 1946 automobile accidents occurred on dry pavement.

## C.I.O. Leader Fears Depression Lurks In Wake Of Labor Bill

A depression and a labor-management chaos is in the offing if President Truman signs the Taft-Hartley labor bill, which is now on his desk. That is the prediction being made by the secretary of the newly-formed San Mateo County CIO Council, Charles A. Bloomer jr.

Bloomer says a depression is inevitable, if the bill is signed, because union members, as well as the great mass of the population, would be unable to maintain "decent wages," and that the resulting loss of purchasing power would lead to business failures, production losses, further wage cuts and lawoffs.

While admitting that unions "are not perfect," Bloomer says he believes that labor "has had as good a record as any other group in the country."

Use Good Cranberries

Be sure to discard shriveled or soft cranberries before using the fruit since these few poor fruits may give the food a bitter taste. Cranberries can be used in pies with raisins, to reduce the use of sugar, yet make an excellent dessert that has the real cranberry flavor.

# Supervisors To Appoint Child Guidance Board

Members of the five man commission, which will work out details for the newly formed San Mateo Child Guidance Clinic, soon will be announced it was learned today. It is assumed that the commission, which will be appointed by the board of supervisors, will be composed of community and agency representatives for policy and planning purposes and will advise the director of the clinic.

The board at a special meeting last Friday voted unanimously to revive the guidance clinic and agreed to put up $20,000 for its operation for the coming year after more than 200 parents and guidance experts urged the action at the meeting.

Such a clinic was once established under the health department of Community Hospital, but became defunct because of lack of interest. Recently the council suggested that the new clinic be set up as an independent unit of the county. The board, at their meeting last Friday, seemed in accord with this plan and set up the clinic as a separate county unit.

Among the speakers at last Friday's meeting was Col. Emmett Literal, head of the neuropsychiatric section of Letterman General Hospital, who said that 12 per cent of all those who were turned down for service in World War II were for neuropsychiatric disturbances.

Dr. William G. Barrett, of Hillsborough, blames the high gear of modern living rather than inadequate parents for the rise of emotional disturbances.

The new child guidance clinic will, according to its sponsors, prevent such cases as the one of the 12 year old San Mateo boy who set fire to a half million dollars worth of lumber mills and endangered the lives of many people last winter while he was waiting for psychiatric treatment.

## Four Short Traffic Safety Courses Set

The current campaign for traffic safety in California will be aided by University of California Extension this coming summer and fall with the scheduling of four intensive short courses on the Berkeley campus.

Traffic specialists, teachers, civic leaders, police officers, high school and college administrators will gather in the Berkeley campus classrooms to listen to State and national leaders in the safety campaigns and to compare notes on traffic-accident control.

University Extension is scheduling the institute series in cooperation with several national organizations including the National Safety Council, the International Association of Chiefs of Police, the American Automobile Association, and a wide variety of other groups. The State Department of Motor Vehicles, the Attorney General's Office and several other State organizations are also cooperating in the program.

# Student Vets Asked To Check Their Eligibility

Floyd D. Granger today warned student veterans to check their eligibility carefully before applying for readjustment allowances when their school terms end.

Under the law, Granger said, no veteran is eligible for a readjustment allowance for any period for which he is being paid a GI subsistence allowance.

If for any reason a veteran received double benefits, the veteran will face the prospect of refunding the money illegally received. In addition, the law prescribes that any further rights to readjustment allowances will be canceled if the veteran accepts such an allowance to which he knows he is not entitled.

Mr. Granger emphasized that even if a student veteran is not receiving subsistence pay he may not meet all the eligibility requirements for readjustment allowances. Such allowances are intended only for veterans who are ready and willing to enter civilian occupations.

The veteran who seeks employment for temporary periods between terms sharply limits his availability and choice of jobs, according to State Department of Employment regulations, and therefore may not be considered eligible for the readjustment pay on the same basis as other unemployed veterans.

Veterans may check on their rights and secure advice on their GI Bill benefits at the Veterans Service Office, located at the San Mateo County Courthouse, Redwood City.

## 500 Job Openings Listed By Navy

Employees for positions in the Marianas and Philippine Islands are being sought by the Navy to fill 500 job openings in the two island groups, the Twelfth Naval District announced today.

Four radio mechanics with experience with either Army or Navy radio equipment are wanted for positions in the Philippines at a $1.80 hourly rate for a minimum of 18 months. Families of workers may join them later.

No family housing is available in the Marianas for families or dependents of workers.

Applicants who are interested in these positions should submit Civil Service Commission Form 57, Application for Federal Employment, in duplicate to the Employment Superintendent, Mare Island Naval Shipyard, Vallejo, Calif. Applications are obtainable at any First or Second Class Post Office.

## Jefferson

The recent circus was an important event in the lives of Jefferson kindergarteners. For days, clowns, trapeze performers, the wonderfully trained animals and all the many other circus attractions were the chief topics of conversation. They were also the favorite subjects to draw and paint. Result: Walls have been made very gay with pictures of marching clowns and performing elephants.

Another activity very pleasing to the little people of the kindergarten was the making of stick puppets of animals and birds. When these puppets were assembled, each child made up short-sentence-stories with his puppet as the chief actor.

With the end of the term looming in the near future, most activities have given way to the testing program. All grades from first through eighth are included in this program, in which progressive achievement tests are used. These tests measure the progress made by each child in each subject for the half term. First graders take primer and reading tests as they are too young for the other forms.

## Woodrow Wilson

The boys and girls of the fifth grade are completing their study of pioneer life. A climaxing review and test will be prepared for and given this week. This study of our early America has given us a background in understanding the kind and type of people who make up the American population.

The low fourth grade is reading about the gold rush in early California history. It is learning the different methods of mining gold as developed by these people who rushed to California in search of gold.

The sixth grade boys and girls are studying to diagram sentences. They are becoming very familiar with the subjects and predicates of sentences. Nouns, pronouns, verbs, and adjectives are also well known.

The students of the high seventh and low eighth grades in their grammar have been writing compositions on "My Favorite Radio Program." After giving the reasons for their choice, the vote was given as their favorite, "The Life of Riley," which comes over KPO on Saturday evenings.

The high fourth and low fifth grades have been writing letters. They have learned the correct form for the heading, salutation, and closing of a friendly letter. They are also learning to write invitations.

The students of the high sixth and low seventh grades are now studying the Middle Colonies. These colonies include New York, New Jersey, Pennsylvania, and Delaware. The students will read and discuss the growth of each colony. They will then study the characteristics that mark these colonies as the Middle Colonies and compare the characteristics of the Middle Colonies with those of the Southern and New England Colonies.

# Over 200 Graduate From S.M. Jaysee

Paul Smith, editor of the San Francisco Chronicle, will deliver the San Mateo Junior college commencement address tomorrow morning at 10:30 o'clock in the Woodland open air theater in Hillsborough.

The exercises at which 205 graduates, representing every community in the county, will receive degrees, is open to the public.

Outstanding awards and scholarships will be presented to several members of the graduating class by various colleges and civic organizations.

Tomorrow evening, in the climax of the college year, the traditional Sophomore Formal dance will be held at the Fairmont hotel in San Francisco with dancing from 9 to 1 o'clock.

Other groups of students are preparing for next fall. Already Helen Davis, of Burlingame, has been appointed editor of the college paper, while Lynn Lockett, of San Bruno, has been named editor of the annual.

This year's annual, with Jane McTavish, of Burlingame, as editor, and Vince Mager, of South San Francisco, as business manager, has been distributed to the students. The students also have received the literary publication which contains some of the best work done by the English students in short stories, poems, and essays.

## Fishing At Lake Henshaw

Hundreds of pounds of fish were taken on May 30 from Lake Henshaw, San Diego county, according to the National Automobile Club. Over 4000 fishing permits were sold at the lake on that day.

## MOTORCYCLES TO RACE AT DIXON

The first half mile dirt track motorcycle races for this season in Northern California will be held this Sunday afternoon at the Dixon Fairgrounds, Dixon, California.

This meet, which is sponsored by the Navy City Motorcycle club of Vallejo, is of special interest to racing fans everywhere as a large list of entries are scheduled to take over as top half miler in place of veteran Sam Arena who retired undefeated.
